FISHING BAY HARBOR MARINA

End of Summer Bash// Labor Day Party

There were plenty of laughs during the end of Summer 2009 celebration. DJ Wolf, once again, provided musical entertainment enjoyed by all. The FBHM singing talent was displayed through some always enjoyable Karaoke. Plenty of food and lots of desserts provided by slip holders helped make the night a memorable one. Thanks again Sandy Crowe for your time and energy to help organize another FBHM social event.

FYI
