

FISHING BAY HARBOR MARINA

JULY 4th PARTY

Many FBHM slip holders enjoyed a beautiful tiki torch lit poolside atmosphere in celebration of the 4th of July. The pool was open from 8 –10 for adult swimming pleasure. In addition, DJ Wolf was present and helped make the party a memorable one. The marina donated beverages and steamed crabs as a token of our member appreciation. A special thanks goes out to Sandy Crowe and everyone else who helped plan such a fun evening!

Perhaps you have noticed an abundance of boys enjoying FBHM on Wednesdays this summer! The local Boy Scouts organization hosts summer sailing camps. Each group spends one overnight outing enjoying FBHM. The scouts experience a travel day out on the Bay followed by fun in the pool and a cookout before sailing to their next destination. Great summer fun for the Scouts!
